

# ***FIRED HEATERS***

**EXPERIENCED PROFESSIONALS • ADVANCED THINKING**

## ***THE WORLD LEADER IN FIRED HEATERS***

KTI is a technology-based equipment supplier that has been designing and supplying fired heaters for over 40 years. KTI is the only ISO 2000 Certified fired heater supplier with in-house expertise to competitively supply all types of fired heaters from small vertical cylindrical furnaces to complex steam reformers. A few of the most common fired heater applications that KTI designs and supplies include:

- Crude Furnaces
- Vacuum Furnaces
- Coker Furnaces
- Cat Reformers
- Steam Reformers
- EDC Crackers
- Steam Superheaters
- All Types of Vertical Cylindrical
- Once Through Steam Generators (OTSG's)
- Waste Heat Recovery Units (WHRU's)
- CO Boilers

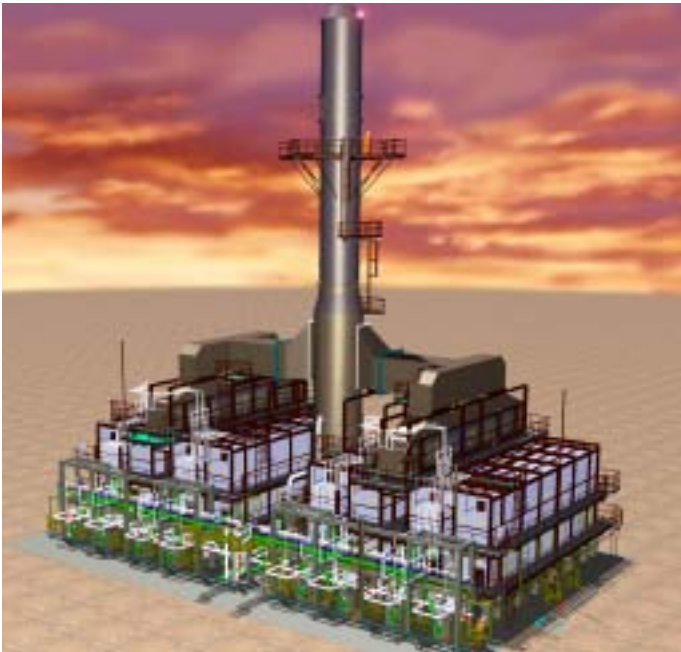

## **SCOPE OF SERVICES**

KTI can supply the following to meet your fired heater needs:

- Engineering studies
- Process and mechanical design
- New fired heaters
- Revamp, optimization, upgrade to existing units
- NOx reduction (SCR's & Burner retrofits)
- Turnkey construction
- Spare parts
- Fast-track sourcing and rebuilds
- Efficiency improvements
- Auxiliary equipment (APH, BMS, Steam System, etc.)

## **INTERNATIONAL EXPERTISE**

KTI is an international company with offices, representatives and personnel throughout the world. We have executed projects on six continents using our global procurement network. We deliver the best value for the project no matter where it is fabricated or constructed.

## **ISO QUALITY AND CONTINUOUS IMPROVEMENT**

KTI is the only fired heater supplier with an ISO 2000 Quality Certification. Our continuous improvement efforts insure quality is the cornerstone of all KTI designed equipment.
